EyzGear™ has been voted as the Best New Product Award Winner of 2016 by top industry buyers and professionals at the PGA 2016 Merchandise Show.

PGA Show Winner

WHAT IS EYZGEAR™ ?

EyzGear™ is a unique and ingenious eyewear retention accessory. It has an innovative solution for securing all glasses to hats. The integrated design allows for glasses to directly attach to hats and protect them from fall, loss and damage.

Benefits of *EyzGear™* :

- *EyzGear™* secures any glasses to hat, secures hat to head and secures eyewear to head.
- *EyzGear™* is tangle free as there are no messy lanyards.
- *EyzGear™* provides high impact fall protection and unrestricted functionality.
- *EyzGear™* is lightweight, easy to remove and carry.
- *EyzGear™* can be personalized and customized to match any eyewear or hat.
- *EyzGear™* protects glasses in active environments.
